Dear Josh:

I have just returned from another trip to Brazil to find the invitation from Don Glaser to a reception on your behalf before you left for New York. I am sorry indeed that we missed it, but let me take this opportunity to send our personal best wishes to you both for the beginning of what I am sure will be a very successful new career. I hope to pay you a visit in your new offices, even if I never did see you in the old ones.

Greetings and very truly yours,

Melvin Calvin
Director
